

Costs related to research

| | |
|---|----------------|
| The daily wage of the helpers (boat driver and boat attendant) - | 15 EUR/pax, |
| Daily care of researchers | 20 EUR/pax, |
| Gasoline (boat) cost for a 1 day collection trip | 60 EUR, |
| The total cost of a 1 day collection trip | 150 EUR, |
| Gasoline (boat) cost for a 2 days collection trip | 120 EUR, |
| The total cost of a 2 days collection trip | 300 EUR, |
| Gasoline (boat) cost for a 6 days collection trip | 360 EUR, |
| The total cost of a 6 days collection trip | 900 EUR, |
| Equipment requirement for a 3-weeks collecting expedition | 400 EUR, |
| Researcher costs for a 3-weeks collection expedition (flight ticket, equipment, food) | 3,000 EUR/pax, |
| The total cost (3 people) of a 3-week collecting expedition | 9,000 EUR. |

For example, the cost of a two-day collection trip (with overnight stay, 2 daytime and 1 night collection) is as follows: gasoline costs 80 EUR, the ship's crew wages 40 EUR, researchers' food supplies 80 EUR, i.e. a total of 200 EUR.

Cost of guest- researchers

| | |
|---|------------|
| Guest-researcher costs for a 3-weeks collection expedition (+ flight ticket) | |
| the condition of which is: | 3,000 EUR, |
| only for specialist, | |
| only for specific research purposes, | |
| adapted to the predetermined professional program. | |

| | |
|--|------------|
| Guest of the expedition costs for a 3-weeks collecting expedition (not researcher + flight ticket) | 4,000 EUR, |
| the condition of which is: | |
| not an expert, just curious, | |
| appropriate condition, commitment and insurance, | |
| adapted to the predetermined professional program. | |

High volume support

In the case of an exceptionally large grant, the researchers consult with the person or organization providing the grant when naming a new species.
